RECOMMENDATION LETTER

This reference letter is provided at the written request of Thenga P Kamwanya, ID no:76061300387, who is presently enrolled at Tulipohamba Training and Assessment Institute, as a Certificate Student in the program of Occupational Health and Safety. As his lecturer, I have had an opportunity to observe the student's participation and interaction in class and to evaluate the student's knowledge of the subject matter. I would rate the student's overall performance in these subjects as above average.

He has been a well-mannered student, very cautious of his school requirements, hardworking and compliant, with a high degree of loyalty and repute for his superiors (academic staff).

I therefore perceive potential in terms of personal, academic and corporate development in this student, and strongly recommend him for any form of assistance that he may seek in a quest to advance his abilities that will empower him to reach his full potential in all his future endeavours.

For any queries, please contact the lecturer on the details provided.

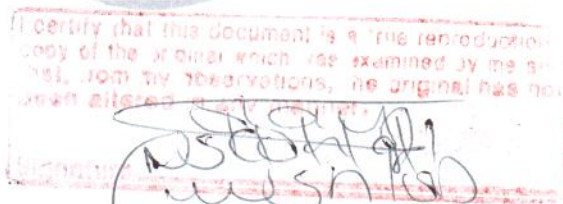

Your thoughtfulness in his request is highly treasured.

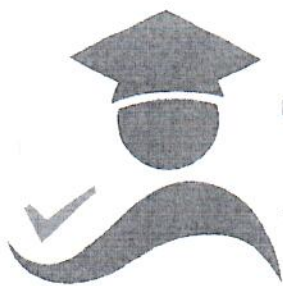

Yours sincerely

Mrs. L. Titus

Recommendation letter for THENGA Kamwanya

As a lecturer at Tulipohamba Training and Assessment Institute, I have had the pleasure and privilege of knowing Mr Penti THENGA KAMWANYA for the last couple of months. He is a full time student at Tulipohamba Training and Assessment Institute, a tremendous student and an asset to our Institute. I would like to take this opportunity to recommend Mr THENGA for any job offer.

I feel confident that he will continue to succeed in whatever job he will get. Mr THENGA is a dedicated student and thus far his grades, dedication and enthusiasm have been exemplary to other students. He has proven to be a take-charge person who is able to successfully develop plans and implement them.

Mr THENGA has successfully demonstrated leadership ability by counseling new and perspective students. His advice has been a great help to these students, many of whom have taken time to share their comments with me regarding his pleasant and encouraging attitude.

It is for these reasons that I offer high recommendations for him for any job offer without reservation. His drive and abilities will truly be an asset to your establishment. If you have any questions regarding this recommendation, please do not hesitate to contact me.

Sincerely

Mr. Seburon A

Testimonial for Penti Thenga Kamwanya

I have known Penti Thenga Kamwanya since August 1999, when I joined the Department of Adult and Non-Formal Education at the University of Namibia. He has, therefore, been a student in my classes for the past 12 months. As a student on the Diploma in Adult Education and Community Development, Penti has displayed the following qualities:

1. Willingness to learn.
2. Ability to work with peers.
3. Ability to communicate clearly with peers and lecturers.
4. Ability to undertake and report an investigation in a special field of adult education and community development.

I consider the above skills necessary for any adult education situation. Adult education situations are becoming prevalent in most work situations. Penti is, in my view, adequately equipped to deal with adult education situations.

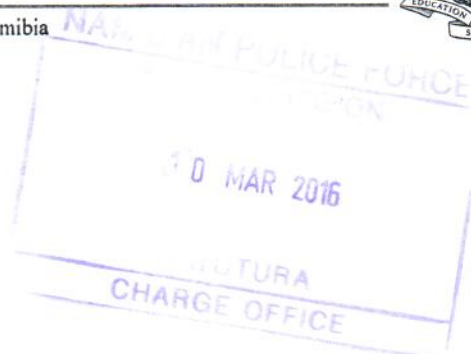

As a person, Penti is pleasant to associate with. He takes a personal interest in the welfare of all those who are around him.

I sincerely hope you find the above information useful in your assessment of Penti's capabilities.

Yours sincerely
