

Curriculum Vitae

Emanuel Fabiano

Project Manager

Haydom Lutheran Hospital

Date of Birth: 23.02.1979

Profile

I am Emanuel Fabiano, a Tanzanian employed by Haydom Lutheran Hospital in 2011 as an Accounts Officer. Since then I have been working with the hospital in various capacities as detailed in my career experience, and was a member of the hospital Core Administrative Team (CAT) since 2014. Recently I am working as a Project manager for the hospital income-generating projects, and the project manager for the new hospital building project. I have attended different workshops locally and internationally both aimed at improving my career development as well as improving efficiency in the hospital operations. Given my working experience for a long time at the managerial level, I have also been participating in and working for the hospital's various committees. I Chaired a technical committee during the procurement of main hospital digital equipment in 2019, was a Finance Manager for the Haydom Marathon Committee for 5 years 2018-2022, member of the tender and price list committee. I was awarded to be the Best Employee of the Year in 2017.
