To whom it may concern

REF: REFERENCE LETTER FOR MASTER STUDY

I am pleased to recommend to you Miss Oliver Lyimo whom I have known for the past three years(2010– 2013). She was a member of Bachelor of Arts in Accounting and Finance (BA-AF) with the general point average of upper second class. She finished High School 2010 and obtained outstanding result which qualify her for the degree program the coming year.

Miss Oliver Lyimo she is well suited for pursuing the study of Master Degree, taking into account she has attained a good result for undergraduate degree and has participated into the different field work as prescribed from his curriculum vitae. The activities she performed presented in the CV add more value for qualifying the applicant to be considered for an award of a Master admission for the coming academic year 2022/2023.

Besides, she is employed at the national audit office and she showed good obedience and accountability in her duties and responsibilities, where by, the same discipline will be customized if she will be offered for further studies.

She also has additional skills in working with the communities by providing both consultancy services and facilitating research on emerging enterprises.

I therefore positively recommend the candidate for Master Degree studies as applied to your esteemed institution/organization.

With Kind Regards,

Mr. M.Bwabo
