

Dear Admissions Department,

I enthusiastically offer this letter in support of Irene Shayo's application for admission to the MBA program at ESAMI.

Irene has worked for me for a bit over 2 years at Piccell Limited. I was her immediate supervisor during her tenure, when she worked as a Community Manager. Irene is a singular colleague, exemplifying a unique combination of creativity, grit, humility, and collaborative spirit.

While we take pride in cultivating a supportive environment at Piccell, the breakneck pace of work and the general rigor is not for everyone. Irene, however, rose to each and every challenge. Even when contending with missing documents and many adversarial parties, she logged many late nights, devised necessary workarounds, and collaborated with others on the project to assist with some of the more exotic issues that arose.

I have no doubt that Irene will be successful in business school and her future career.

If there is anything else that I can provide in support of Irene's application, please do not hesitate to contact me.

Sincerely,

Calvin Martin
