Dear Sir/Madam,

RE: RECOMMENDATIONS LETTER IFO UPENDO A MPWAGO APPLYING FOR GRADUATE STUDIES

Please refer to the heading caption above.

Upendo A. Mpwago is aspiring to join your institution for graduate studies i.e. MBA in April 2022 intake. As requested by your admission office regarding recommendation letter, it is my hope this letter will serve the purpose.

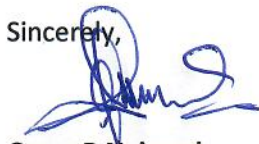

It is my immense pleasure to support Upendo's application to your institution for Masters in business Administration (MBA).

I met Upendo three years back as my close neighbor at home where we stay until current. She is working at the capacity of Finance Manager for SoftNet Technologies limited for more 10 years with good progress and outstanding performance. She is managing both Accounts and Administrative section with total number of around 15 people and through her hard working she has sustained for all these years.

She did her 1st degree studies from SAUT in 2010 perusing BA in accounting and finance. Through her good focus and career development plan, she did her professional accounting studies and completed her CPA T in 2017.

It does not come to me as a surprise that even after some years of professional work experience, she is still eager to pursue Masters in Business Administration. I strongly recommend Upendo for his graduate studies in your institution. Her keen desire to explore and learn will take her far ahead in life. I wish Upendo all the best for her graduate studies. Please feel free to contact me in case you have any queries on this recommendation.

Sincerely,

Oscar R Nyirenda
