Dear Sir/Madam,

TO STUDY MASTER OF BUSINESS ADMINISTRATION**

---

I wish to recommend Mr. Synoden Kautsi who is our Infrastructure Development Manager, in our organisation to allow him to undergo post graduate study in Master of Business Administration at Malawi Polytechnic.

As his supervisor, I have known and worked with Mr. Synoden Kautsi from the time he joined the Greenbelt Authority in September 2019 till now. He has over this period demonstrated his maturity in handling successfully different irrigation projects. This has been so because he is hard worker, self-starter and fast learner. Besides possessing the above qualities and experience, Mr. Kautsi is a qualified graduate Civil Engineer hence has good background knowledge and skills that can enable him to successfully complete his post graduate studies in the field of Master of Business Administration. With above attributes, I have full confidence that if considered, Mr. Kautsi can successfully complete his studies in the field of Master of Business Administration. The new skills and knowledge he will acquire during the studies will help him to handle competently various challenges in water and irrigation sector. Lastly, I will be delighted and ready to provide you with any further information about Mr Kautsi.
