### **RE: REFERENCE FOR MR.MPHATSO CHIRWA FOR THE MBA PROGRAMME**

I am writing with reference to the subject above for Mphatso Chirwa who has requested a recommendation for the Master of Business administration placement. I have had the pleasure of working with him for over eight years now since he joined The Directorate of Road Traffic and Safety Services. He brings to all of his activities energy, enthusiasm, and commitment which make it easy for me to give him an unqualified endorsement for his post graduate studies.

Furthermore, he has a passion for Management of Public Infrastructure unmatched by any young person I have ever worked with. His research abilities and articulation of ideas speak his overall intellect and ability to learn, attributes that will serve him well in any post graduate programme.

Throughout his employment with the Road Traffic Directorate he has quickly established himself as a go-to person in every department in which he has worked. He has been ever-willing to work with anyone to share his knowledge and expertise. He is also a team player who has a deep-rooted spirit of helpfulness. This attribute, coupled with his quick grasp of the subject matter, speaks well about his learning abilities.

All in all, Mphatso Chirwa is a valued member of our organization whom we have learned we can rely on regardless of any difficulty of the task at hand or the novelty of the challenge. His combination of intelligence, commitment, perseverance, creativity and compassionate character will certainly make him a valuable member of any academic program. I encourage you to consider favorably upon his application.

If I can be of any assistance or provide any further information do not hesitate to contact me on 0888 315 382/0999 315 382 (mtonyalenny@gmail.com)

Yours faithfully,

LEONARD MTONYA
