Dear Director,

RE: RECOMMENDATION LETTER FOR MR. BRIAN KALEKYE MASTERS PROGRAM

Receive cordial greetings from the Office of the Secretary General.

I have the honor to refer to the above subject matter. I write to recommend Mr. Brian Kalekye for admission at Eastern and Southern African Management Institute (ESAMI), to pursue your esteemed Master's program in Project Management.

I have had the opportunity to closely observe his dedication, work ethic, and passion for project management during his work at EAC. It is evident that he possesses the qualities and potential required to excel in a rigorous academic program like the one offered at your institution.

His experience in project management at EAC includes his current role as the EAC-USAID Liaison Officer coordinating programmes and projects between our organizations.

I believe that your program's rigorous curriculum and esteemed faculty will provide an ideal environment for him to further develop his expertise in this field.

Please accept, Director, the assurances of our highest consideration.
