Dear Sir/ Madam,

RE: RECOMMENDATION FOR JOSEPHER MARIA KABENGE

I hereby recommend Josepher for admission at your institution.

I worked with Josepher for 3 and half years at one of the largest banking institutions in Uganda.

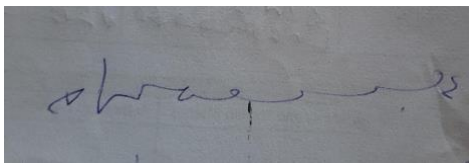

She is a brilliant and hard working person with high integrity. She also works well with others.

She has over 10 years working experience in banking including lending to businesses. I believe this practical experience is a good background for further studies in business.

The Masters degree will definitely contribute to propelling her career to the next level.

Any assistance rendered to her in this regard will be appreciated.

Yours faithfully,
