Dear Madam/Sir,

RECOMMENDATION FOR BARNABAS NDIOWAAWE

I have known Barnabas for over 30 years from a personal perspective. For the last 20 years, I have been his mentor and career guide.

What stands out is his desire to learn, grow and develop himself– both from a personal and professional perspective. He is diligent and always keen to add value and demonstrate quality in whatever he does.

I have seen Barnabas evolve into a great leader, who is results driven. He has a growth mindset that not only seeks to achieve personal growth but also to help other grow.

Overall, he demonstrates passion in his career growth and the desire to create positive impact in his day to day interactions. I am very confident that he has the right attributes required to enable him pursue this MBA with ESAMI.
