

Dear Sir/Madam,

**RECOMMENDATION OF ALOWO FAITH DEBORAH FOR THE  
MASTERS IN BUSINESS ADMINISTRATION PROGRAM**

This is to recommend to you Ms. Alowo Faith Deborah as a suitable candidate for the Masters in Business Administration at your Center.

I have known the aforementioned candidate since 2014 and worked with her for the past 2 (two) years at Ligomarc Advocates where she is employed as the Firm's Manager Administration, Human Resource and Compliance. Previously, she was the Firm's compliance officer. In both offices, Faith demonstrated and continues to demonstrate leadership and effective people management skills, both of which are relevant to the course she seeks to pursue.

Aside from being such a joy to work with, she has demonstrated the ability to come up with effective solutions to most organizational challenges where she has shared invaluable insight in how to effectively utilize resources within the workforce.

Faith would be an incredible addition to your program and I recommend her without reservation and I fully support her decision to continue with her studies at your center.

Yours faithfully,

**Kasami Paul Winyi**
