Dear Sir or Madam,

RE: RECOMMENDATION LETTER FOR MR. NYEMBO KIGOMBEY

Please, refer to the above subject.

I have known Mr. Nyembo Kigombey for the last 20 years. This is from the time he was working at Yemen English Medium Primary School, and later joined the Ubungo Plaza Limited, an organisation established to own and manage a commercial complex in Dar es Salaam, which is partly owned by the National Social Security Fund; an organisation which I was working with.

Throughout the period I have known Mr. Nyembo; I have found him to be an understanding, hard-working and a visionary person. He is also an honest and a team building person, leave alone that the guy is a man of great wisdom when dealing with serious and complicated issues.

Academically, he is a man of above average. Having an undergraduate degree and a Post-Graduate Diploma in Entrepreneurial studies, it means he can follow his studies for MBA programme at ESAMI. Due to a long-time practical experience, he has in work, he will be able to easily relate theory and practice in his studies.

In view of the foregoing, I recommend Mr. Nyembo Kigombey for admission at the ESAMI MBA Programme.

Sincerely yours

Yacoub M. KIDULA: B.A. Econ, MBA, H.H. Fellow, Certified Director, Certified PPP Professional
