Dear Sir/Madam,

**RE: RECOMMENDATION LETTER FOR UPENDO A MPWAGO APPLYING FOR
GRADUATE STUDIES**

Please refer to the heading above.

I understand that Upendo has requested to join your institution for MBA studies starting April this year. I think this is a very good decision for her and I am sure this course will be invaluable towards her personal and carrier growth.

Since joining our company in 2010, as a Junior account, Upendo has demonstrated an incredible initiative and dedication towards her duties and that is why she moved up the ranks quickly to the current position of Head of Finance department. She always shows enthusiasm which is both inspiring and motivating to her fellow staff.

She has also proven her ability to learn and understand fast and that is why when she registered for her review classes towards CPA, she completed without repeating any subject in 2017.

I highly recommend Upendo to join your institution and I hope you'll carefully consider her admission. In case there is any additional information required, I am ready to provide at any time and I am reachable through my mobile +255 754849978 or email gherman@softnet.co.tz.

Sincerely,

.....
Gilbert Herman
