The Country Coordinator

ESAMI (Malawi)

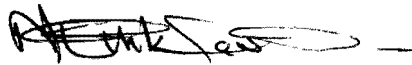

Dear Country Coordinator,

It is with much pleasure and enthusiasm that I am writing to you to support the candidacy of Mrs. Getrude Mkandawire for admission to the Master's in Business Administration (MBA) Evening Classes Program.

Mrs. Getrude Mkandawire has good writing and analytical skills. I have worked with her on several short-term research projects. Her analysis of complex issues in different social qualitative and quantitative research projects is always highly noted and appreciated by the Research Management Team. She can formulate highly original and persuasive interpretative arguments. She has also led the field research team demonstrating superb leadership skills.

I therefore strongly recommend her for admission to your MBA Evening Classes Program.

Sincerely yours,

Nkhafwire Mkandawire, MSc PH
