Dear Country Coordinator,

I am writing to today to recommend Ms Priscilla Batenga Mazzi for admission into ESSAMI's e MBA Program. I have known Priscilla for eight years, and we have worked together on different projects for approximately seven of those years.

It should go without saying that and she is a remarkable Business Strategist, with an eye for not only growing the traditional business, but also seeking out opportunities in to expand the business.

Priscilla has always taken her role seriously and she is passionate about her results. Beyond her passion on driving performance, Priscilla is a natural leader, and fights hard for her beliefs. She's at her best in a group environment, and she is consciously proactive at getting full involvement of all other team members to derive the best results possible. She has a very effective personal style, and I have no doubt that she will be looked to for continued executive leadership.

I have the deepest personal and professional respect for Priscilla, and sincerely belief she will bring her unique energy, optimism, passion, and tireless creativity to your class and classroom. She has my highest endorsement. If you have any questions about this recommendation or my endorsement of Priscilla, please contact me and I will gladly try to help.

Kind regards and best wishes for a successful MBA class.
