Dear Admissions Committee/ Dean of Admissions,

RE: LETTER OF RECOMMENDATION FOR MR. HARMONY MWAVULI

I, Inglis Macrester Nyamilandu am delighted to write this letter to recommend admission of Mr. Harmony Mwavuli for the Masters in Business Administration course at your esteemed institution.

I have worked with Mr. Harmony Mwavuli for the past two years while he joined as an Internal Audit and Finance Consultant in April 2020 but had risen to the rank of a Senior Consultant in August 2020 in such a short span due to his diligence, hard work, and innovative aptitude. I was fortunate to be his immediate supervisor as I am the Managing Partner of Advantage Capital and Consultants Limited (ACCL). In October, 2021, Mr. Harmony Mwavuli joined National Economic Empowerment Fund Limited (NEEF) as an Internal Auditor, where I believe he is performing exceptionally good.

Mr. Harmony Mwavuli is an extremely organized and self-motivated individual and has excellent communication skills. He can perform well within deadlines even under pressure and has the skills to lead a team skillfully. He possesses design thinking abilities and can critically analyze the issues to foresee upcoming problems and has the capability to work out solutions by going beyond the call of duty if required.

His working ability to motivate others including style and efforts, changed a lot in our company and the marks made by him will always remain with us. When he expressed his desire to go for higher studies as he wants to get into higher management, I felt that he is on the right course. Though he is now working with NEEF, his initiatives will remain with us and we sincerely hope that after completing his MBA he will be able to contribute a lot to the industries and the nation.

He deserves to get in-depth knowledge of management systems as he can really use that knowledge benefitting the subject, institution, community, and surroundings to say the least. I strongly recommend him for admission to your esteemed university and look forward to seeing his emerging as a more resourceful person as higher education opportunity at a world-class institution will add a new dimension to his career.

In case you have any queries, please contact me at the contact details mentioned above.

Thanking you

Sincerely

Inglis Macrester Nyamilandu
