Dear Director,

**RE: RECOMMENDATION FOR MDAUKO NGULUBE FOR ESAMI MBA**

I would like to recommend Mr Mdauko Ngulube for admission into ESAMI's Executive MBA Program. I have known Macdonald both personally and professionally for more than 17 years.

Mdauko has always taken his role seriously and is passionate about his results. He has succeeded greatly in the financial industry having worked as senior Manager in the banking industry- Nedbank, NBS bank and Standard Bank. Beyond his passion on driving performance, Mdauko is a natural leader, and fights hard for his beliefs. During the time we were together at Polytechnic; he was a leader for many clubs at the campus

It should go without saying that; he poses remarkable marketing talent, with an eye for not only growing his company business, but also seeking out opportunities to expand the business for NBS bank where he is the Corporate Manager.

He's at his best in a group environment, and is consciously proactive at getting full involvement of all other team members to derive the best results possible. He has a very effective personal style, and will be looked to continue his executive leadership style once he completes his MBA with  
ESAMI

I have the deepest personal and professional respect for Mac, and sincerely belief he will bring his unique energy, optimism, passion, and tireless creativity to your MBA evening class cohort. He has my highest endorsement

For these reasons, and many others, I highly recommend Mdauko Ngulube as a candidate for your MBA program. If you have any questions about this recommendation or my endorsement of Mdauko Ngulube please contact me and I will gladly try to help.

Kind Regards
