Dear Sir/Madam

Recommendation Letter for Sengendo Gordon

I am very pleased to recommend Sengendo Gordon for admission into the ESAMI University for your MBA (TELM) program. I have known Gordon for over 10 years and we have studied together and worked together.

Gordon managed to complete his ACCA certifications. He also managed to complete all the requirements of membership to ACCA, and now is a full member of ACCA. Gordon likes to upgrade his education consistently. He has a positive attitude, friendly, energetic and likes to learn new things all the time.

He always takes his education and work seriously and is passionate about results. Beyond his passion on driving performance, he is a natural leader and fights hard for his beliefs. He's at his best in a group environment, and is consciously proactive at getting full involvement of all other team members to derive best results possible.

I have full belief and confidence that Gordon will excel in his master's program at ESAMI University.

Kind regards,

.....
