**REF: RECOMMENDATION LETTER FOR GEGA JORAM BUJEJE APPLIED FOR MASTER'S IN PROJECT
MANAGEMENT AT ESAMI- TANZANIA**

Dear Sir/Madam,

I am Shaibu A. Mandova, country national coordinator for Schools2030 project at Aga Khan Foundation, Tanzania. It is a pleasure to write a recommendation for Gega who has applied to pursue master's in project management course offered by ESAMI.

I have worked closely with Gega as her supervisor as she worked for international and local organization and then joined Aga Khan Foundation in July 2021 as project Officer. She was instrumental in helping education programs achieving Education projects targets in these two years. She has excellent communication skills and is a proven team leader motivating her colleagues to excel.

She is an honest and hardworking person and aspires to complete a master's course in project management to boost her career prospects. She is committed and indebted to work and her responsibilities; she is highly organized, and she can monitor deadline for each project tasks.

Her dream is to complete a master's course and the ESAMI has been her first choice. I believe she will be the best-suited candidate for this course at your esteemed institute. I would like to recommend her for a place on the MS project management course and wish her the best in her studies.

Thanking you,

Sincerely,

Shaibu A. Mandova - National Country Coordinator
