Dear Sir/Madam

**RECOMMENDATION LETTER OF MR. L. NYIRENDA**

I would like to recommend Mr. Nyirenda for admission into the ESAMI MBA program. I have known Mr. Nyirenda both personally and professionally for more than 14 years. Mr. Nyirenda has been working for more than 10 years in Finance and Grants Management, both in the private sector and Non - Governmental Organizations and he has been holding higher positions with increased responsibilities. Currently he is working with Christian Aid and he has helped the organization in improving its systems in the areas of Finance and Grant management where he has demonstrated his skills in managing the finance department and easiness of implementing donor projects due to his robust approach in capacity building, monitoring, and his commitment to donor fund compliance.

I have found Mr. Nyirenda as a quick learner, ambitious and a great team player and it is my belief that these qualities would make him an outstanding student for your program conversely your program will help provide Mr. Nyirenda with the highest skills, experience and qualification for increased responsibilities here at Christian Aid and many more opportunities in future. Please contact me at any point should you have further questions about this recommendation.

Yours Sincerely

Joseph Namathanga
