**RE: RECOMMENDATION IN RESPECT OF Ms LANGO CATHERINE
OKENGO**

It's my pleasure to recommend Lango Catherine Okengo for a Post graduate study in Business Administration at ESAMI Kampala Centre. I believe she is an outstanding student and a pleasure to work with. My interaction with Catherine includes having studied with her at Makerere University for our undergraduate studies 18 years ago.

Catherine is not only knowledgeable but also about her field, committed to making a difference in the lives of others and maintains exemplary collaborative skills. I highly recommend her for the post graduate studies. She upholds the highest professional standards, a desire to achieve and a positive attitude.

If you would like to further discuss Cathy, and her capacity as a post graduate student as ESAMI, please do not hesitate to contact me on +256 782146091, email:cnatyang@yahoo.com
