Dear Sir/Madam,

RE: Recommendation Letter

Reference is made to the above subject matter.

We would like to recommend Rachel Liomba for the master's in project management at your institution. Her current role at SMEC International Pty Ltd involves managing project finances for our various projects. The projects are mainly in infrastructure development. We believe that the qualification will add value to professional career.

We trust that the above is in order and ESAMI will grant Rachel Liomba an opportunity to study at your institution.

Yours sincerely,

Meekness Mweemba Chiluba
