To Whom It May Concern:

I'm delighted to recommend CPA Ramadhani M'bade for admission to the Master of Business Administration Program at the ESAMI.

I was his mentor during his professional studies at the National Board of Accountant and Auditors. He demonstrated exceptional creativity, enthusiasm, and analytical abilities.

Mbade's academic and professional credentials are complemented by his demonstrated leadership abilities, conversion of the acquired theory into problems solving and high level skills in the decision making and coordination.

Please let me know if you require any additional information to strengthen his candidacy for the MBA programme.

Sincerely,

CPA Frank Ngoti
