

AGA KHAN FOUNDATION

The Director of Postgraduate Studies,  
Dar Es Salaam.

Dear Sir/Madam,

**Re: Recommendation letter**

This is to certify that **Mr. Simon Moikan Meigaro** is an employee of Aga Khan Foundation and holds a Senior position in M&E and currently acting as Country Director.

Considering his academic background in Economics and Statistics coupled with 14 years professional experience, I highly recommend for an MBA from ESAMI to enrich his technical leadership and management capacity.

Thank you for your cooperation.
