Dear Sir/Madam,

RE: RECOMMENDATION FOR MR. BEATUS LOUIS MLINGI

Regarding the above-cited subject, it is with great privilege that I write to you in recommendation of Beatus Mlingi. I have known Mr. Mlingi for more than a decade now. I can confidently say that he is a pleasant, generous person who is never afraid to take on a challenging task. I have worked with him on several assignments and consulted with him on a professional as well as personal level and he is someone with an exemplary work ethic.

Mr. Mlingi is an independent, self-directed person who is able to communicate effectively and meet even the most demanding challenges. I have known him to support and champion ideas and see them to fruition. Mr. Mlingi is not only gifted in his uncanny ability to foresee opportunities, he is also a very talented writer!

Therefore, I highly recommend him for the MBA program at the University. He is a team player, a great person and an absolute genius.
