Dear Sir/Madam

**REFERENCE LETTER FOR QUEENRAHEL TENDWA
TO PURSUE BACHELOR IN BUSINESS ADMINISTRATION (BBA) AT ESAMI.**

Reference is made to the above subject.

Queenrahel Tendwa has asked me for reference to support her application Diploma in Management and Administration. I feel privileged to give my opinion to support her application. I have known the applicant for more than 5 years, having worked with her in numerous administrative engagements. I believe Queenrahel is an excellent candidate for this program. The program she has selected is the perfect match for her academic background and her professional work experience of over 10 years in the administration and management at Hanns Seidel Foundation East Africa regional office.

Queenrahel I has worked for national and international organizations. I have known her as an expert in management and administration with excellent track record. In her work, she has undertaken both national (Government Ministry level assignments) and international assignments in collaboration with international consultants who are globally ranked high in international development. Queenrahel has left a legacy in the organizations she has worked for in the past.

Queenrahel is committed, organized, competent in her area of specialization. She has a substantial experience in administration, health insurance management as well as office management. Given a chance to undertake the Diploma in Management and Administration, she will be an asset to the organization that will employ her in the future.
