Dear Sir,

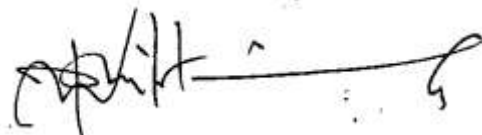

I would like to recommend Mr. Alinafe Desire Peter Simango for admission into ESAMI's Masters in Business Administration Program. I have known Alinafe both personally and professionally for more than 8 years.

Alinafe has worked for Mark Construction Limited for over 6 years and during this time, he has continued to hold positions of increasing responsibility. He has overseen several of our construction projects.

I have found him to be a very quick study, ambitious leader and terrific team player. It is my belief his qualities would make him an outstanding student for your program. Conversely, your program will help provide Mr. Simango with the highest skills, experience and qualifications for increased responsibilities at Mark Construction Limited. Please contact me at any point should you have questions about this recommendation.

Kind Regards,

**FOR MARK CONSTRUCTION LIMITED.**

**WILLIAM MARK PHIRI  
TECHNICAL DIRECTOR**
