Dear Sir/Madam

Ref: **RECOMMENDATION FOR DR KELVIN COLMAN KESSY**

Refer the subject above.

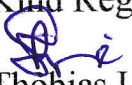

The named above is one of our Medical Doctors here at ALMC. He is a hardworking and devoted staff. He is a team player and eager to learn.

We would recommend him for further studies at your Institute, which we believe will enhance his personal career, abilities and eventually will benefit the Hospital at large.

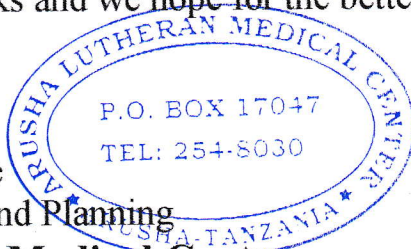

We hope you will assist him accordingly and offer maximum cooperation for his future career development.

We advance our thanks and we hope for the better.

With Kind Regards
