

17<sup>th</sup> December 2021

The Eastern and Southern African Management Institute (ESAMI),  
P.O. Box 3030,  
Arusha, Tanzania

Dear Admissions Committee,

Ref: ***Recommendation for Dasaria Victor Swai to be admitted in Business school to pursue MBA in Transport Economics and Logistics Management (MBA-TELM)***

It is a great pleasure to recommend Dasaria for admission to your Business school to pursue **MBA in Transport Economics and Logistics Management (MBA-TELM)**. She is one of the most professional supervisee I have worked in my over 15 years in the logistics field.

Dasaria is passionate to Logistics field, sympathetic and responsive to her work. She is flexible in multiple tasks, always want to guide people in reaching their goals, good at positively influencing others for a better work performance.

I highly recommend Dasaria for admission to the course, where she will contribute her cumulated experience and exposure in the logistics field to the class and acquire the MBA in Transport Economics and Logistics Management (MBA-TELM).

Dasaria's professional capacity and her always positive mind leads me to believe there will be no limit to her growth and achievements in college and beyond. Please don't hesitate to contact me at [mahamud.mabuyu@wfp.org](mailto:mahamud.mabuyu@wfp.org) if you have any questions.

Sincerely,

Mahamud MABUYU  
Head of Logistics,

United Nations World Food Programme (UN WFP) - Tanzania
