RECOMENDATION: NYANGOMA RITAH ADMISSION FOR MASTERS OF BUSINESS ADMINISTRATION (MBA) PROGRAM 2022/2023

The above applicant approached me for a recommendation for MBA Admission Program 2022/2023

Ms. Nyangoma Ritah has worked with us as an Audit Trainee in 2019 later promoted to the position of Auditor in 2020 and currently serving the position of Audit Senior

During her execution of work, she carried out different assignments like external audit, internal audit, led different audit teams, bidding for external audit jobs and was also able to learn different accounting software like tally, quick books and CaseWare

She is self-driven, has good interpersonal skills, hardworking, reliable and committed to her assignments.

I have no doubt about her commitment, capacity and ability to accomplish a Masters of Business Administration of Eastern and Southern Africa Management Institute.

I therefore highly recommend her for the admission of the above program.

Yours Sincerely.
