To Whom It May Concern,

Dear Sir/Madam,

RE: Letter of reference for Faraja Danny Urrio – Project Management MSc (online)

It is with great pleasure and enthusiasm that I submit this letter of recommendation on behalf of Faraja Danny Urrio to strongly support his application to pursue a Project Management MSc (online) at the University ESAMI.

I have known Faraja for a couple of years now – perhaps since 2015. Through the period of working with Faraja, I can confirm that he is of very high integrity and honest person able to adjust, adapt and assume new and changed roles. Faraja has very good analytical and planning skills; he can plan and organize events, initiate new things as well as making presentations.

Faraja is a leader and adaptive and well fit into a team focused on result and accountability. He is well-articulated writer, able to organize ideas and communicate fluently with a good mastery of Kiswahili and English languages.

I would highly recommend and strongly support Faraja's application to study Project Management MSc (online), given his outstanding academic attainments, work experiences and positive personality.

Please provide her with all the necessary assistance, and do not hesitate to contact me should you require any additional information.

Sincerely,

John Msinzo
