EASMI – KAMPALA CAMPUS

RECOMMENDATION: REBECCA NYAKATO ADMISSION FOR MASTERS OF BUSINESS ADMINISTRATION (MBA) PROGRAMME 2022/2023

The above captioned applicant has approached me for professional recommendation for MBA admission program 2022/2023.

Rebecca Nyakato worked with us as an accountant intern and later on as an accountant trainee in the finance office in the period 2019 – 2020.

During her stay with us, she was keen to practice her theoretical class knowledge into hands-on practical experience and would be willing to take on additional workloads to expose herself to Google Sheets packages.

I have no doubt about her capacity, ability and commitment to accomplish a Masters of Business Administration Program of the prestigious Eastern and Southern Africa Management Institute

Sincerely,

Freddie Zagyenda

CEO
