Dear Sir/Madam,

RE: RECOMMENDATION LETTER FOR REVOCATUS SHIGI's APPLICATION FOR THE MASTERS IN PROJECT MANAGEMENT (MPM)

I am writing this letter to recommend Revocatus Shigi for the Masters in Project Management program at your esteemed institute which is scheduled to start on 24th October 2022.

I have worked with Revocatus for close 3 years now and directly supervised him as his Senior Strategic Result Manager (SSRM) at Elizabeth Glaser Pediatric AIDS Foundation (EGPAF).

In my time working with Revocatus, I have personally witnessed his dedication and hard work for the foundation. He has consistently performed his duties with high competence and often goes the extra mile, doing more than expected.

Revocatus interest and ability to learn new tasks have allowed him to be very knowledgeable not only in results and team coordination, but also in technical capacity building to the front liners. He is an excellent problem solver, he always demonstrates ability to learn and retain information quickly and accurately. In addition he is an excellent communicator and has the skills and personality needed to be a leader.

I believe Revocatus is well equipped to handle the challenges and learning experiences that ESAMI can provide for him. He is fully capable of balancing the workload between his job responsibilities and school. The knowledge he will gain from Masters in Project Management will serve him well and will prepare him for promotional opportunities in the near future. Revocatus is great candidate and will be very successful in your MPM program.

Should you have any question/need additional information, please reach out through cmakoko@pedaids.org

Sincerely,

Charles Makoko.
