Dear Sir,

RE: RECOMMENDATIONS FOR NTWA LAWRENCE MWANDEMANI

Kindly refer the above captured subject.

I am one of the Masters graduate intake 28 for ESAMI. I have known and engaged with Mr. Ntwa L. Mwandemani in several profession matters as he pursues his banking career, and the experience was noticeable great.

This letter is to recommend for admission for a master in Business Administration at your Institute as same will be an anchor in his carrier growth as it aligns with his current role and future goals.

Please do not hesitate to contact me in case you need more support, I will be happy to be of assistance to you.

Yours Sincerely,

Carolyn Mziray Mshighati
