Dear Sir/Madam,

LETTER OF RECOMMENDATION

This is my recommendation for Kate Mathanda Chitandale. Until recently she has been working in a supervisory role for 8yrs. I found her to be consistently delightful, tackling all her tasks with dedications and contagious optimism.

I fully support her decision to continue with her studies and pursue a master's degree in relation to her field. She is capable of paying her tuition with no doubt.

I therefore, would like to reiterate my strong recommendation for Kate Mathannda Chitandale. I believe she will be an excellent addition to your graduate program.

Sincerely,

Robert Mnani
