RECOMMENDATION LETTER FOR KUSIRIE SENKONDO

Kindly refer to the above heading. I have known Kusirie for about 6 years now. He is the HR and Administration Manager for Habari Node Limited, and I am the GM for Habari Node. Having worked with him for all these years, Kusirie is very dependable and always demonstrates mature judgement in all his dealings. It is no wonder I always leave the company in his care whenever I travel.

Kusirie is a very important asset at our company, hence I know he will make a great asset and addition in your institution if you let him join as he seeks to earn an advanced degree. I vouch for him and promise you that he won't let you down.

I thank you and hope that you will admit him at ESAMI.

Sincerely,

Kabaza Gelasius Runyeta
