Dear Madam,

RECOMMENDATION OF MS MARIA NASUUBIRA FOR ESAMI MBA PROGRAM

I hereby introduce you to Ms Maria Nasuubira; a Human Rights and Ethics Practitioner with experience in administration and financial services, interested in undertaking the ESAMI MBA program for the September Intake of the year 2022.

I am an ESAMI alumnus of the intake 35 Evening and thoroughly enjoyed my experience in the institution both academically and in the social networking aspect. I know Ms Maria professionally having made acquaintance with her when she worked at Platinum Credit Limited, Uganda. She is a committed and driven individual who has a sense of duty and responsibility which I know are key qualities needed to succeed at ESAMI. She will do well at the Institution and exceed expectations.

With then utmost confidence, I therefore recommend and endorse Ms Maria Nasuubira for the ESAMI MBA Program 2022.

Sebulime Absalom
