Dear Sir/Madam,

LETTER OF SUPPORT FOR DR AGNES MBACHI MWANGWELA

I write to support the application of Dr Agnes Mbachi Mwangwela for the Postgraduate Programme with your Institution to study for Masters in Business Administration (MBA). Dr Mwangwela is an Associate Professor and Deputy Vice Chancellor of the Lilongwe University of Agriculture and Natural Resources (LUANAR).

Her desire to study an Executive MBA has been positively welcomed by Management as it is anticipated that it will equip her with relevant skills and tools for adapting to the unavoidable shift in industries, markets and business practices. The program, when completed will further enhance her soft skills and professionalism allowing her to develop into an outstanding communicator and advisor with a new perspective on life and the business world as the University is becoming a more complex working environment. We sincerely hope that after completing her MBA she will be able to contribute a lot to the University and the nation.

She deserves to get in-depth knowledge of management systems as she can really use that knowledge benefitting her, the institution, the community, and surroundings to say the least. I strongly recommend her admission to your esteemed University/Institution and look forward to seeing her emerging as a

more resourceful person as higher education opportunity at a world-class institution will add a new dimension to her career.

Yours faithfully,
