RECOMMENDATION FOR SHEKINA MILAZI FOR APPLICATION FOR MBA PROGRAM

I write to recommend Shekina Milazi to pursue MBA program with ESAMI. Shekina Milazi graduated last September with Bachelors degree of Commerce (Business Administration) from Catholic University. She is very hardworking and has ability to do well in this MBA program.

In addition, she has been working as Sales Manager for Cline Kwiksave in Lilongwe whose responsibilities include sourcing items for the business financial management, Inventory management, operations management, Order management, suppliers management, Merchandising, managing people who work at the shop for the past three years

I have known her for more than three years as an Intern at one of our stores.

I look forward to your acceptance of my recommendation to enroll her in your MBA program.

Yours faithfully,

John Chibwa
