Dear Sir/Madam,

I am writing to recommend Diana Wanyana for consideration in her application to study Masters in Business Administration at your prestigious Institute.

I have known Diana for over 10 years. Diana is a determined, passion and focus person who always complete any task assigned to her.

She always shows a proactive attitude towards achieving any set goals before her and, never hesitates to ask for assistance or clarifications.

Following the premises above, I believe that she is very much deserving for admission to study MBA.

Your positive feedback will be highly appreciated.

Sincerely,

Amos Lugoloobi
