TO WHOM IT MAY CONCERN

**RE: RECOMMENDATION FOR LOVENESS M KAPINDU.**

I am delighted to recommend Loveness Kapindu for admission and at the University. I have known Loveness from the time she joined Catholic Relief Services as Finance Officer where I serve as the Grants Accountant.

Loveness showed exceptional performance in her previous studies as well as a member of staff. She is academically gifted and also a very hardworking person. She is dedicated and always cheerful and friendly. These attributes have enabled her to successfully execute her mandate as an Finance Officer.

Given her academic prowess, whilst undertaking a Bachelor of Business Administration at Share World Open University, MALAWI, Loveness graduated with a Credit. Aside from the academics, Loveness is also an all-round student; She also loves Working with the less privileged and the vulnerable and has assisted in church activities that benefits the less privileged.

Loveness is efficiently reliable, charitable and consistent in her efforts, a hardworking and focused person, articulate and accepts responsibilities however challenging they may be. I strongly recommend her.

Yours sincerely;
