RE: RECOMMENDATION FOR MR. GEORGE E. KIDAYI

This letter serves to recommend Mr. George E. Kidayi for consideration to join Masters program in Project Management offered by your institution.

I have known Mr. George for more than five years as an employee of **ERICSSON AB, TANZANIA BRANCH**. George has always been keen in searching for new knowledge, especially on matters related to his job, daily activities, and work assignments. He is often inquisitive on matters which are not clear to him and will always work to find solutions on challenges and roadblocks he faces daily.

George works with minimal supervision whilst paying attention to detail. Am confident if considered George will successfully undertake his Masters program at ESAMI and make a good project management practitioner.

Please accord George the necessary assistance to obtain admission to the program. Should you need further clarification please do not hesitate to contact the undersigned.

Yours sincerely,

Betty Okello-Omoding,**HUMAN RESOURCE MANAGER****Ericsson AB Tanzania Branch Office**

Ericsson AB incorporated in Sweden with limited liability
