THE COUNTRY COORDINATOR

ESAMI BUSINESS SCHOOL

KAMPALA CAMPUS

DEAR MADAM,

I am really honored to recommend Mr. **Ssemeere Ibrahim** for matriculation into the master's program at ESAMI business School. I have been his immediate supervisor for the last three years. I found him to be consistently delightful, tackling all his tasks with dedication and a contagious optimism.

He is a take-charge person who is able to come up with very creative ideas and communicate them effectively with the rest of his team members, he has developed innovative techniques in making our processes both time and cost-efficient. He is also extraordinarily helpful in areas that are outside of his expertise, I fully support his decision to continue his studies and pursue a Master's degree in relation to his field,

Ssemeere Ibrahim is a valued member of our organization whom we can rely on, regardless of the difficulty of the task to hand or the novelty of the challenge. His combination of intelligence, commitment, perseverance, creativity, and a compassionate character will certainly make him a valuable member of any academic program. I encourage you to look favorably upon his application.

Sincerely,

KIGULI PETER KITOOKE
