**RE: RECOMMENDATION LETTER FOR MS. AZIZA ABDALLA SAID**

I kindly write to support Ms. Aziza Abdalla Said's application for admission into your graduate programme.

I have known Aziza for seven years as a Trade Promotions Officer at Dodoma City Council. She is an intelligent and a smart person who has been able to rise up the rank in her career.

In terms of personality, Aziza is a person who persistently committed on a particular project or assignment. She is a hardworking and determined to succeed and excel in her career. Also, Aziza has a pleasant personality, very friendly and easy to get along with others. I believe she will continue to cope with her studies very well if provided with admission in your Institute.

It is based on these reasons that I strongly recommend Aziza Abdalla Said for the admission in MBA programme at your prestigious Institute.

Best Regards,

Sincerely Yours,

.....
