

To whom it may concern,

I'm pleased to write this recommendation in favor of Ms. Amina Ahmed Mushi, who directly reported to me for two years during 2016 to 2018 at Tutunze Kahawa Ltd. I have an experience of more than 8 years providing management and operational services in the coffee exportation domain.

Amina Ahmed Mushi joined our organization as a fresher out of university and assimilated well in a very short span of time. She was quick at understanding the work requirements as an assistant HR and Admin and performed her duties diligently.

Good inter-personal skills along with a curious mindset to learn about new things are among her core strengths.

Amina Ahmed Mushi would be an asset at your prestigious institution. I'm confident that she will excel at the endeavors she takes up even post her master's program and I do wish her all the very best.

Please feel free to contact me if you require additional information and discussion.

Sincerely,
