TO WHOM IT MAY CONCERN:

RE: FAITH ZUBERI JUMA

It is my privilege to recommend to you Faith Zuberi Juma as a highly qualified human resource employed by ECHO East Africa as the Seed bank Manager with a Bachelor degree of Science in Human Nutrition. She is the in charge of the Seed bank activities since September 2019. It has been a great pleasure to work with her as she brought her expertise and attention to detail to the program she is heading. Her communication and people's skills are excellent, and she has some very innovative ideas which can make the organization move forward.

Faith Juma is responsible in performing her duties. She is a person who contributes ideas but still works well as a team player. She has a pleasant personality and maintains professional appearance at all times. Her skills include information management and coordination. She is talented and flexible to work in any environment.

I would highly recommend Faith Juma to pursue further studies in your institution knowing that she is capable of performing very well and upon finishing her studies she will be an important asset to ECHO East Africa in the near future. Do not hesitate to contact me personally with additional questions.
