Dear Sir/ Madam

**RE: RECOMMENDATION OF OTHIENO DOREEN FOR THE MASTERS IN
BUSINESS ADMINISTRATION PROGRAMME**

Reference is made to the above subject

I have had the distinct pleasure of knowing Miss Othieno Doreen since 2012 when she worked as an intern at Amani Initiative, as a member of our legal team. Since that time I have kept in close contact as she progressed in her career at the Uganda Development Corporation where she currently works with the Corporation's Legal Department. Despite of the move, I have continuously sought her reliable advice and expertise on a number of legal issues. Therefore, I am enthusiastically recommending her as someone familiar with the valuable nature of her work, the breadth of her discourse and the quality of her overall academic and professional character.

I am always impressed by the way in which Miss Othieno Doreen can take on complex ideas, explore them from a variety of perspectives and express them in a comprehensible way.

I was pleasantly surprised when she expressed her interest in joining you as a student of the MBA. As an MBA myself I understand the level of vigilance required for the programme and I have no doubt that she is capable of the level of hard work required. I believe she would be an interesting addition to you class this year.

Yours Truly
