

ACADEMIC TRANSCRIPT

**Bukabura Kirya George Turyakira, born in Nyamatongo (Uganda)
on 2 June 1972**

Previous studies Recognized Foreign Diploma of Higher Education - 1999
Academic degree Complementary Studies in
Water Resources Engineering
Form and duration full-time - 1 year
Type of programme complementary studies
Start of programme at K.U.Leuven since 1 October 2002

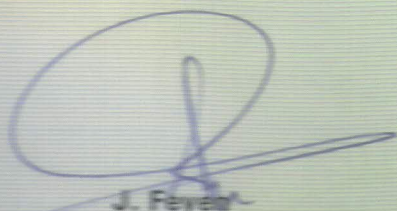

Year: Complementary Studies in Water Resources Engineering - academic year 2002-2003

Programme components	Credit points	Grade
Basic Calculus	—	—
Mathematics for Water Engineering	5	P
Mathematics for Water Engineering: Exercises	—	—
Statistics for Water Engineering	5	B
Statistics for Water Engineering: Exercises	—	—
Land Evaluation	5	B
Land Evaluation: Exercises	—	—
Hydraulics	5	B
Hydraulics: Exercises	—	—
Surface Hydrology	5	A
Surface Hydrology: Exercises	—	—
Groundwater Hydrology	5	B
Groundwater Hydrology: Exercises	—	—
Irrigation Agronomy	5	A
Irrigation Agronomy: Exercises	—	—
Aquatic Ecology	5	B
Aquatic Ecology: Exercises	—	—
Water Quality and Treatment	5	B
Water Quality and Treatment: Exercises	—	—
Information Technology	3	A
Hydrometry	3	A
Social, political and institutional Aspects of Water Engineering	3	AAA
Environmental Impact Assessment	3	A
Economic Analysis of Water Resources Projects	3	A

Overall result cum fructu - 64,6%
Proclamation date 2 July 2003

Katholieke Universiteit Leuven
Faculty of Engineering
Faculty of Agricultural and Applied Biological Sciences

Vrije Universiteit Brussel
Faculty of Engineering

Secretary of the Board of Examiners

D. Raes
Chair of the Board of Examiners
